

# Till Sunrise (Box of Wolves Premix)

## Goldroom

In the west, I could see clear  
A vision of us in a slipstream  
And through the haze you met me here  
Show me the way that you want it My dreams are always a world away  
I'd be living a lie if I didn't say  
That night I wished for you to stay  
Till sunrise From out the mist we'll reappear  
Floating away in a daydream  
So was it real, I'm not so clear  
We open our eyes to a sunbeam My dreams are always a world away  
I'd be living a lie if I didn't say  
That night I wished for you to stay  
Till sunrise  
I'd be living a lie if I didn't say  
I'd be living a lie if I didn't say
