

Aftermath (Live at Glam Nation)

Adam Lambert

Have you lost your way?
Living in the shadow of the messes that you made
And so it goes
Everything inside your circle starts to overflowTake a step before you leap
Into the colors that you seek
You get back what you give away
So don't look back on yesterdayWanna scream out
No more hiding
Don't be afraid of what's inside
Gonna tell ya, you'll be alright
In the aftermath
Anytime anybody pulls you down
Anytime anybody says you're not allowed
Just remember you are not alone
In the aftermathYou feel the weight
Of lies and contradictions that you live with everyday
And it's not too late
Think of what can be if you rewrite the role you playTake a step before you leap
Into the colors that you seek
You get back what you give away
So don't look back on yesterdayWanna scream out
No more hiding
Don't be afraid of what's inside
Gonna tell ya, you'll be alright
In the aftermath
Anytime anybody pulls you down
Anytime anybody says you're not allowed
Just remember you are not alone
In the aftermath
In the aftermathBefore you break you have to shed your armor
Take a trip and fall into the glitter
Tell a stranger that they're beautiful
So all you feel is love, love
All you feel is love, loveWanna scream out
No more hiding
Don't be afraid of what's inside
Gonna tell ya, you'll be alright
In the aftermathWanna scream out
No more hiding

Don't be afraid of what's inside
Gonna tell ya, you'll be alright
In the aftermathAnytime anybody pulls you down
Anytime anybody says you're not allowed
Just remember you are not alone
In the aftermath
In the aftermath
In the aftermath
In the aftermath
