Chante moi

Edith Piaf

Chante-moi, darling, sing to me
Chante-moi, while your arms cling to me
I have waited so long, so long?
Won?t you please put your heart in a song?
Every sigh is a rhapsody
When you sigh: ?Je vous aime, chÃ©rie!?
This is heaven you bring to me
Chant-moi, sing to me, chant-moi?The angels stop singing when you raise your voice
The angels above?
They listen and then just like me they rejoice
When you sing of love?Chante-moi, darling, sing to me
Chante-moi, while your arms cling to me
I have waited so long, so long?
Won?t you please put your heart in a song?
Every sigh is a rhapsody
When you sigh: ?Je vous aime, chÃ©rie!?
This is heaven you bring to me
Chante-moi, sing to me chante-moi?
