

Ah La La

The Takeover UK

In many ways you'd be the perfect man,
I'll fuck you over, you won't understand
Come on and let it out, you know I'm right
Whatever gets you through the long, dark nightSingin'
Ah la la, la la la la la
Over and over 'til you get my point
Ah la la, la la la la la
It's you I'm dreamin' of, I'm thinkin' of--
YeahI'll bet the boys will never leave you alone
True love will come in the cab ride home
Come on and let it out I know you're free
You've done the worst of time to get to meSingin'
Ah la la, la la la la la
Over and over 'til you get my point
Ah la la, la la la la la
It's you I'm dreamin' of, I'm thinkin' of--
It's you I'm dreamin' of, I'm thinkin' of--
Hey, hey, heyAhhh--Ah la la, la la la la la
Over and over 'til you get my point
Ah la la, la la la la la
Over and over 'til you get my point
Singin'
Ah la la, la la la la la
Ah la la, la la la la la
Ah la la, la la la la la
Ah la la, la la la la la
Over and over 'til you get my point
Over and over 'til you get my point
Over and over 'til there's no point
Over and over and over and over--
