Evil

James Vincent McMorrow

So are you good?
Cause I don't feel right
Are you strong?
Cause I'm so damn tired
What you want from me?
Maybe you already have it
Will we ever reach the point where this fits me like manAnd I think if I'm evil
I'll be going down
If I'm evil
Maybe I had you fooled
If I'm evil
Still you're right beside me
If I'm evil
We'll be going down
You say it best
That it's a long hard track
And, I'm a mess
Still better than a wreck
This used to work for me
Now I can barely even sing
How I feel about myself
How this is nothing like we plannedAnd I think if I'm evil
I'll be going down
If I'm evil
Maybe I had you fooled
If I'm evil
Still you're right beside me
If I'm evil
We'll be going downYou never know your luck
You never know the love worth saving
I've been giving all I've got
I've been giving all I've got away
You never know your luck
You never know the love worth saving
I've been giving all I've got
I've been giving all I've got awayAnd I think if I'm evil
I'll be going down
If I'm evil
Maybe I had you fooled

If I'm evil
Still you're right beside me
If I'm evil
We'll be going downIf I'm evil
