

Joy (2015 Remastered Version)

Mick Jagger

Oh joy love you bring
Oh joy make my heart sing And I drove across the desert
I was in my four wheel drive
I was looking for the Buddha
And I saw Jesus Christ He smiled and shrugged his shoulder
And lit a cigarette
Said jump for joy
Make some noise
Remember what I said My soul is a like a ruby
And I threw it in the earth
But now my hands are bleeding
From scrabbling in the dirt
And I look up to the heavens
And a light is on my face
I never never never
Thought I'd find a state of grace Hey joy
Love you bring
Oh joy
Make my heart sing
Oh joy
Joy in everything Joy joy joy oh joy
Joy joy joy oh joy I was drowning in the darkness
As I drove down to the sea Joy joy joy oh joy And I looked up to the mountain
And the light burst over me
Joy joy joy oh oh joy You make me sing
Joy [cont] Oh joy
The love you bring
You make me sing
Oh joy
In everything
In everything
Everything Jump for joy
Jump for joy
Jump for joy
