

# Joy (2015 Remastered Version)

## Mick Jagger

Oh joy love you bring  
Oh joy make my heart sing  
And I drove across the desert  
I was in my four wheel drive  
I was looking for the Buddha  
And I saw Jesus Christ  
He smiled and shrugged his shoulder  
And lit a cigarette  
Said jump for joy  
Make some noise  
Remember what I said  
My soul is a like a ruby  
And I threw it in the earth  
But now my hands are bleeding  
From scrabbling in the dirt  
And I look up to the heavens  
And a light is on my face  
I never never never  
Thought I'd find a state of grace  
Hey joy  
Love you bring  
Oh joy  
Make my heart sing  
Oh joy  
Joy in everything  
Joy joy joy oh joy  
Joy joy joy oh joy  
I was drowning in the darkness  
As I drove down to the sea  
Joy joy joy oh joy  
And I looked up to the mountain  
And the light burst over me  
Joy joy joy oh oh joy  
You make me sing  
Joy [cont]  
Oh joy  
The love you bring  
You make me sing  
Oh joy  
In everything  
In everything  
Everything  
Jump for joy  
Jump for joy  
Jump for joy
