Am I Wrong

Femke

Well, I talk too much to myself
And I turn my back on my faith
It's like glass when we break
I wish no one in my placeAnd I've seen
You don't need their scenes
When the cut goes in deep
And I'm lost in sleepI can't stay in this place
I can't stand when the room
Turns round on my fate
You give no guarantees
There's no promise I can keepI can't stand
I can't see my way
I feel blind on my feet
I can't stay too long
Am I wrong?Goodbye, lay the blame on love
Goodbye, lay the blame on love
Goodbye, lay the blame on loveGoodbye, lay the blame on love
Goodbye, lay the blame on love
Goodbye, lay the blame on loveI'm so tired of my mood
And sleep comes with a knife
Fork and a spoon
You're so pale in your face
You let life get in your wayAnd I've seen
You don't need their scenes
When the cut goes in deep
And I'm lost in sleep
Am I wrong?Goodbye, lay the blame on love
Goodbye, lay the blame on love
Goodbye, lay the blame on love
Goodbye, lay the blame on love
