Adult Education

Hall & Oates

Adult, adult, adult education
Afternoon in the homeroom, they're about to let you go
And the locker slams on the plans you had tonight
You've been messing around with your boyfriend, maybe better left alone
There's a wise guy that you know who could put you right
In the lot, the boy that's idling by doesn't rev your heart
'Cause it's only lonely spots he shares with you
And the long halls and the gray walls are gonna split apart
Believe it or not there's life after high school
And that's why
The student body's got a bad reputation
What they need is adult education
You go back to school, is a bad situation
What you want is an adult education
Oh yeah
The teacher don't know about how to deal with the student body
And the underclassmen are flashing hot and cool
All your girlfriends care about the watch you wear and talkin' about it
Believe it or not there's life after high school
That's why
The student body's got a bad reputation
What they need is adult education
You go back to school, is a bad situation
What you want is an adult education
Oh yeah
They're calling it a preparation
You're waiting for a separation
You're nothing but another odd number
Memories that you won't remember
So you got a little education
And a lot of dedication
But you want a little night school
Maybe some of it will rub off on you
The boys are busy in the mirrors
Trying to imitate their heroes
You make it with a false surrender
More memories you won't remember
The senior with the junior Miss
I wonder what the junior wishes

That she could graduate to adult
That she could graduate to adult kisses
Adult education, adult education
Adult education is a bad situation
Adult education
Adult, adult, educate, educate, education
Adult, adult, adult, educate, educate, education
Adult, adult
