All citizens scared they dont know who to call
Cause of us, they know the team we be ready to brawl
Its a mob shit, its a mafia
So try to cuff us & we'll cuffin ya

Hesitate to chat Imma just get to boxin yall
Warfare I keep a circle can't afford squares
Don't come between it tell a hater its a sword there
Get It in get it out & if a hoe care

Give her this a point to leave the game cause its for players
Now imma gold member but its a cold tender
You aint know Imma boss i control weather
You got weapons aiming at me & my go getters
So Better Better call it quits cause its for better
Soft bitches get hurt, soft niggas get it worse
Come harder you better work
