

Cherie Amour

George

My Cherie...
Amour...
That's the girl that I've been
Lookin' For, Lookin' For,
She's someone, I'd adore
Always saw me with a heart that's so pure.
I'm searchin'
And I keep lookin'
(I'm hurt bad)
That's how bad I need ya...
Wait up on me,
Wait it out,
I can't let her get away, (get away)
Cherie Amour
I've been trying hard to find you
I've been looking everywhere
Cherie Amour
If I had you I would love you
Never hurt you,
Girl I swear
Cherie Amour
You're the one I've been lookin' for
Lookin' for
Cherie Amour
This heart, beats only for you...
My beauty, and love
Where are you,
Cause its been long enough,
Long enough
She's someone, I can trust
I don't have you girl,
I want you
And I gotta love you now, singin'
I'm searchin'
And I keep lookin'
(I'm hurt bad)
That's how bad I need you...
Wait up on me,
Wait it out,

I can't let her get away,
Get Away
Cherie Amour
I've been trying hard to find you
I've been looking everywhere
Cherie Amour
If I had you I would love you
Never hurt you,
Girl I swear
Cherie Amour
You're the one I've been lookin' for
Lookin' for
Cherie Amour
This heart, beats only for you...
Never had a wish come true
Come True
And my wish, is to find you
Can't hide these feelings no more...
Cherie Amour...
Cherie Amour,
Tryin', Find You,
Love You, Cherie Amour, Want You,
Love You, Touch You,
Cherie Amour,
Cherie Amour,
You're the girl I been lookin' for
Lookin' For
Lookin' For
Cherie Amour
I've been trying hard to find you
I've been looking everywhere
Cherie Amour
If I had you I would love you
Never hurt you,
Girl I swear
Cherie Amour
You're the one I've been lookin' for
Lookin' for
Cherie Amour
This heart, beats only for you...
Cherie Amour...
