

# You've Changed

[Diana Ross](#)

You've changed  
That sparkle in your eyes is gone  
Your smile is just a careless yawn  
You're breaking my heart You've changed You've changed  
Your kiss is now so blase  
You're bored with me in every way  
I can't understand You've changed You've forgotten the words I love you  
Each memory that we've shared  
You ignore every star above you  
I can't realize you ever cared You've changed  
You're not the angel I once knew  
No need to tell me that we're through  
It's all over now You've changed
