Fuego Lyrics

Want it,
Yuh know I want it,
I want all the girls from the Caribbean,
Got it,

Me gusta la chica de la Caribe,
Got it,

The way that yuh wine yuh colita.
You cyah be so rude, que bonita,
The way how you do that muh chica,
The fuego yuh bring to my life there I need da oh!
Way how yuh wine yuh colita,
She make me say aye caramba,
Cuz the way how you do that much chica,
