Colorado

Colorado by Alex Guthrie

Iâ€™ve got sepia tones running through my bones
And an old-timey tune played through analog phones
And years worth of livinâ€™, only 20 to show
Some may say that Iâ€™m an old soul

I had a pain in my heart and a smile on my face
So I let it all go, lifeâ€™s too precious to waste
Oh I did what I could, yeah I gave it my best
Nothinâ€™ here for me, oh Iâ€™m headed out west, out west

(Chorus)
â€˜Cause the interstate is callinâ€™
Oh itâ€™s knockinâ€™ on my door
I love what Iâ€™ve been given but Iâ€™m always wanting more
Colorado Iâ€™mma cominâ€™, I think itâ€™s time for me to go
Colorado Iâ€™mma cominâ€™, Colorado take me home

Packed up my car, left a note on the door
Not a care if someone sees it, not a care who itâ€™s for
Oh, my window rolled down, warm wind rushinâ€™ by
Colorado, Iâ€™m cominâ€™, Georgia this is goodbye

(Chorus)
â€˜Cause the interstate is callinâ€™
Oh itâ€™s knockinâ€™ on my door
I love what Iâ€™ve been given but Iâ€™m always wanting more
Colorado Iâ€™mma cominâ€™, I think itâ€™s time for me to go
Colorado Iâ€™mma cominâ€™, Colorado take me home

Oh Iâ€™m tired of this city, Iâ€™m tired of these places
Iâ€™m sick of seeing the same old faces
A pair of old shoes and the clothes on my pack
Iâ€™m heading out west and Iâ€™ll never look back

(Chorus)
Because the interstate is callinâ€™
Oh itâ€™s knockinâ€™ on my door

I love what Iâ€™ve been given but Iâ€™m always wanting more
Colorado Iâ€™mma cominâ€™, I think itâ€™s time for me to go
Colorado Iâ€™mma cominâ€™, Colorado take me home
Colorado Iâ€™mma cominâ€™, Colorado take me home

Because the interstate is callinâ€™
Oh itâ€™s knockinâ€™ on my door
I love what Iâ€™ve been given but Iâ€™m always wanting more
Colorado Iâ€™mma cominâ€™, I think itâ€™s time for me to go
Colorado Iâ€™mma cominâ€™, Colorado take me home
Colorado Iâ€™mma cominâ€™, Colorado take me home
Colorado Iâ€™mma cominâ€™, Colorado take me home
