

Rat In Mi Kitchen

UB40

There's a rat in mi kitchen, what am I gonna do?
There's a rat in mi kitchen, what am I gonna do?
I'm gonna fix that rat, that's what I'm gonna do
I'm gonna fix that rat When you open your mouth you don't talk, you shout
And you give everybody the blame
When they catch you up they will shut you up
And you got no one to blame There's a rat in mi kitchen, what am I gonna do?
There's a rat in mi kitchen, what am I gonna do
I'm gonna fix that rat, that's what I'm gonna do
I'm gonna fix that rat There's a rat in mi kitchen, what am I gonna do?
There's a rat in mi kitchen, what am I gonna do?
I'm gonna fix that rat, that's what I'm gonna do
I'm gonna fix that rat When you out on the street, you practice lies and deceit
And you scandalize my name
When I catch you up, I'm gonna pull you up
I'm gonna check-out inside your brain There's a rat in mi kitchen, what am I gonna do?
There's a rat in mi kitchen, what am I gonna do?
I'm gonna fix that rat, that's what I'm gonna do
I'm gonna fix that rat There's a rat in mi kitchen, what am I gonna do?
There's a rat in mi kitchen, what am I gonna do?
I'm gonna fix that rat, that's what I'm gonna do
I'm gonna fix that rat When you deh pon the scene, you make everyone scream
Because they know you're so unjust
When they catch you up, they will kick you up
Because you're someone they can't trust There's a rat in mi kitchen, what am I gonna do?
There's a rat in mi kitchen, what am I gonna do?
I'm gonna fix that rat, that's what I'm gonna do
I'm gonna fix that rat There's a rat in mi kitchen, what am I gonna do?
There's a rat in mi kitchen, what am I gonna do?
I'm gonna fix that rat, that's what I'm gonna do
I'm gonna fix that rat There's a rat in mi kitchen, what am I gonna do?
There's a rat in mi kitchen, what am I gonna do?
I'm gonna fix that rat, that's what I'm gonna do
I'm gonna fix that rat
