Everything Is Cool

John Prine

Everything is cool
Everything's okay
Why just before last Christmas
My baby went away
Across the sea to an island
While the bridges brightly burn
So far away from my land
The valley of the unconcerned
I was walking down the road, man
Just looking at my shoes
When God sent me an angel
Just to chase away my blues
I saw a hundred thousand blackbirds
Just flying through the sky
And they seemed to form a teardrop
From a black haired angel's eye
That tear fell all around me

And it washed my sins away
Now everything is cool
Everything's okay
Everything is cool
Everything's okay
Why just before last Christmas
My baby went away
And I find it real surprising
For myself to hear me say
That everything is cool
Everything's okay
Everything is cool
Everything's okay
Why just before last Christmas
My baby went away
