

Recklessly

Hot Chelle Rae

I'm so obsessed, don't care how dumb I look
You must be bad cuz' you make me feel good
The more I'm with you the more I'm hooked
oh oh oh oh ohhh yea yea yea yea yea
Tonight I gotta confess the way you look in this light
I can't catch my breath
Feels like my world is on fire, it burns in my chest
Tell me you feel it too (you feel it too)
We got nothing to loseChorus:
Just touch me, the way that I touch you
Love me, the way that I love you
Recklessly
And give me everything
And baby
Touch me, the way that I touch you
Love me, the way that I love you
Recklessly, and give me everythingI'm tryna wake up and be beside you
Been actin' crazy so what if that's true?
You've got me doin' things I don't do
oh oh oh oh ohhh yea yea yea yea yea
Tonight I gotta confess the way you look in this light
I can't catch my breath
It feels like my world is on fire, it burns in my chest
Tell me you feel it too (you feel it too)
We got nothing to loseChorus:
Just touch me, the way that I touch you
Love me, the way that I love you
Recklessly
And give me everything
And baby
Touch me, the way that I touch you
Love me, the way that I love you
Recklessly, and give me everythingAll I want is you and me
I want you recklessly
I need you next to me, tonight
All I want is you and me
I want you recklessly
I need you next to me, tonight
(Low voice)

Need me, the way that I need you
Kiss me, the way that I kiss you
(high voice)
Recklessly
And give me everything And baby
Touch me, the way that I touch you
Love me, the way that I love you
Recklessly, and give me everything (everything)
All I want is you and me
I want you recklessly (recklessly)
I need you next to me, tonight
All I want is you and me
I want you recklessly (recklessly)
I need you next to me, tonight
