

# Love Is Gone (Giacomino Power Gone Edit Remix)

David Guetta

Now that the love is gone! What are we supposed to do  
After all that we've been through  
When everything that felt so right is wrong  
Now that the love is gone? Love is gone What are we supposed to do  
After all that we've been through  
When everything that felt so right is wrong  
Now that the love is gone?  
There is nothing left to prove  
No use to deny this simple truth  
Can't find the reason to keep holding on  
Now that the love is gone, love is gone Now that the love is gone, what felt so right's so wrong  
Now that the love is gone I feel so hurt inside, feel so hurt inside, got to find the reason What are we supposed to  
do  
After all that we've been through  
When everything that felt so right is wrong  
Now that the love is gone?  
There is nothing left to prove  
No use to deny this simple truth  
Can't find the reason to keep holding on  
Now that the love is gone, love is gone Got to find a reason, got to find a reason,  
Got to find a reason to hold! Love, there's nothing left for us to say, yeah!  
Love, why can't we turn and walk away? What are we supposed to do  
After all that we've been through  
When everything that felt so right is wrong  
Now that the love is gone?  
There is nothing left to prove  
No use to deny this simple truth  
Can't find the reason to keep holding on  
Now that the love is gone, love is gone Love is gone!
