

Detonator

Ash

High explosive girl you turn me on
So bold italic like walking out of a Bond
(Just like walking out of a Bond)
Just takes one spark to kerasine
You go up like natural glisterine
(Go up like natural glisterine)

The time is right to deviate
The supernatural cannot wait
I'll show you how to detonate
Yeah

I'm coming up and I'm rising from the flames
I've been a Bond with fire in my veins
(Been a Bond with fire in my veins)

The time is right to deviate
The supernatural cannot wait
I'll show you how to detonate
Yeah, yeah

Detonate

Baby I love,
Baby, you're bold
I want to make you,
Want to take you on
And love you on
And turn you on
Yeah, I want to
Blow your mind
Yeah, I want to
Blow your little mind
Mmm

I want to detonate
I want to detonate
I want to detonate

Detonate

Detonate

Yeah

The time is right to deviate
The supernatural cannot wait
I'll show you how to detonate

Yeah

The time is right to deviate
The supernatural cannot wait
I'll show you how to detonate

Yeah

Da da da da
