

So Unbelievable

Peppermint Heaven

It's gotta be good
It's gotta be right
It's gotta be fine
Day and night
It's gotta be
So unbelievableIt's gotta be real
It's gotta be true
Spine tingling
Shiny and new
It's gotta be
So unbelievableSo unbelievableYou may say
My standards are high
But what's the point
If you can't touch the sky
It's gotta be
So unbelievable
