

Dinosaur Train Theme Song

Jim Henson's Dinosaur Train

Dinosaur train Once upon a time, there was a mom
Her name was Mrs. Pteranodon
Sitting on her nest, she heard a cracking and said Oh, boy, my eggs are hatching! One by one, the kids popped
free
Baby pteranodons, one, two, three I'll name you Tiny, Shiny and Don. But Tiny said Wait! There's one more,
mom!
The last little baby had a different size
With teeth and a tail and big green eyes
He didn't look anything like the rest What am I doing in a pteranodon nest? But dear old Mrs. Pteranodon said
Oh, this is your family and I'm your mom.
You may be different, but we're all creatures.
All dinosaurs have different features.
Come on, Buddy, we'll take a vacation.
I'll get us a ticket in Pteranodon Station.
We'll travel the world in sunshine and rain
And meet all different species on the... Dinosaur Train We're gonna ride, ride, ride, ride, ride
The Dinosaur Train
