Kew. Rhone.

John Greaves

(Who?)
We who knew no woe
We who were her hero
(When?)
When we were on her knee
When we knew her
When were were one
(Where?)
Kew.Rhone.
We won renown
(How?)
We were her worker
We won honor enow
When we knew her
When we were one
Where?
Kew.Rhone.

Not a set animal
Not a set animal, laminates
Laminates a tone of
A set animal
Animal, laminates
A set animal
Animal, laminates
Laminates a tone of sleep
A tone of sleep

Peel's foe
Not a set animal
Laminates a tone of sleep
