

# Just One Look

## Eddie Lovette

Just one look  
And I fell so hard, hard, hard  
in love, with you

I found out  
How good it feels, feels, feels  
To have, your love oh....ohh

Say you will  
Will be mine, mine, mine  
Forever and always oh....ohh  
Just one look and I knew, knew, knew  
That you were my only one wohh..wooh

I thought I was dreaming  
But I was wrong, yeah yeah yeah  
Oh, but I'm gonna keep on scheming  
Til I can make you, make you my own

So you see  
How I really care, care, care  
Without you, I'm nothin'

Just one look  
And I knew, knew, knew  
Ill get you, some day

Just one look, that's all it took  
Just one look, that's all it took bay

[Instrumental Break]

I thought I was dreaming  
But I was wrong, yeah yeah yeah  
Oh, but I'm gonna keep on scheming  
Til I can make you, make you my own

I thought I was dreaming  
But I was wrong, yeah yeah yeah  
Oh, but I'm gonna keep on scheming

Til I can make you, make you my own
