Too Late To Tell You Now

[Burn Halo](#)

I should've loved you better
I should've held you tight
I should've been there on those long and lonely nights
I should've read your letters
I should've picked up the phone
I should've stayed with you, I didn't have to go
And if there was a way I'd do it all again
I don't think I ever told you what you meant to me
As I remember when
You pulled me back, you got my head on straight
Can I get back to you somehow?
Is it too late to tell you now?
Too late to tell you now
Wish I could see you smile
Wish I could hold your hand
Wish I could go back and make you understand
That I was caught up in a life of mistakes
And I just ran away from you
I don't think that I ever told you what you meant to me
As I remember when
You pulled me back, you got my head on straight

Can I get back to you somehow?
Is it too late to tell you now?
I'm sorry now
For everything I put you through
I'm sorry now
I see it now, we never really made it though
I'm sorry now
I should've loved you better
I should've held you tight
I should've been there
I don't think that I ever told you what you meant to me
As I remember when (I don't think I ever told you)
You pulled me back, you got my head on straight
Can I get back to you somehow?
Is it too late to tell you now?
Don't think I ever told you
Too late to tell you now

Don't think I ever told you
Too late to tell you now
Yeah
Is it too late to tell you now?
