

Something In the Air

Thunderclap Newman

Call out the instigators
Because there's something in the air
We've got to get together sooner or later
Because the revolution's here, and you know it's right
And you know that it's rightWe have got to get it together
We have got to get it together nowLock up the streets and houses
Because there's something in the air
We've got to get together sooner or later
Because the revolution's here, and you know it's right
And you know that it's rightWe have got to get it together
We have got to get it together nowHand out the arms and ammo
We're going to blast our way through here
We've got to get together sooner or later
Because the revolution's here, and you know it's right
And you know that it's rightWe have got to get it together
We have got to get it together
Now
