

Approach

Crassus

A loss for words
A brand new day
A different approach
To a different way A complete and total waste of time
To ever dream this up
I should've never dreamed you up
Before today A loss for words
A different day
The same approach
In a different way You know you're always on my mind
I just can't get enough of you today
You know just what it takes
And how to make me crawl And when I crossed the line
I felt my rising fall
You know just what it takes
So tell me what it takes
To end this rising fall
