

Turn Up the Music

Lemonade Mouth

Na, na, na, na, na, na, naTake a look around
Who would have thought we'd all be here?
So let's mess around
'Cause the future is unclearWe got nothin' better to do
We're just tryin' to get through
Can you hear me?
Can you hear me? YeahLet the music groove you
Let the melody move you
Feel the beat and just let go
Get the rhythm into your soulLet the music take you
Anywhere it wants to
When we're stuck and can't get free
No matter what, we'll still be singingCome on, come on, turn up the music
It's all we got, we're gonna use it
Come on, come on, turn up the music
YeahAll we have is now
Let's make the most of this
Come on, break it out
So everyone can hear itThey don't have to understand
But we'll make 'em if we can
Do you hear me?
Are you with me? YeahLet the music groove you
Let the melody move you
Feel the beat and just let go
Get the rhythm into your soulLet the music take you
Anywhere it wants to
When we're stuck and can't get free
No matter what, we'll still be singingCome on, come on, turn up the music
It's all we got, we're gonna use it
Come on, come on, turn up the music
YeahCome on, come on, turn up the music
It's all we got, we're gonna use it
Come on, come on, turn up the music
Turn up the musicLet the music groove you
Let the melody move you
Feel the beat and just let go
Get the rhythm into your soulLet the music take you
Anywhere it wants to
When we're stuck and can't get free

No matter what, we'll still be singing
Come on, come on, turn up the music
It's all we got, we're gonna use it
Feel the beat and just let go
Get the rhythm into your soul
Let the music take you
Anywhere it wants to
Come on, come on, turn up the music
Yeah
