Never Forget You

Sonicflood

Praise You Lord, oh my soul
All my inmost being
Praise You Lord , oh my soul
Praise Your holy nameI'll never forget that You forgive my sin
Redeem my life from the pit forevermore
I'll never forget You LordPraise You Lord with all my heart
I know You satisfy
Praise You Lord, Lord most high
For how You've changed my lifeI'll never forget that You forgive my sin
Redeem my life from the pit forevermore
I'll never forget You Lord
Your love surrounds meI'll never forget that You forgive my sin
Redeemed my life
I will never forget that You made me whole
Praise the Lord, oh my soul forevermoreI'll never forget that You forgive my sin
Redeem my life
I will never forget that You made me whole
Praise the Lord, oh my soul forevermore
Forevermore I'll never forget You Lord, no
Yeah, yeah, yeah
I'll never, I'll never forget You Lord
