Road Of The Righteous

Dropkick Murphys

Now I saw a man stand up one day and fight to save his life
Just a common worker, supporting his kids and wife
He put a plug in his jug, things looked up for sure
But the whole damn thing of it was there is no blasted cureNow I saw a man stand up one day and fight to save his life
Just a common worker, supporting his kids and wife
He put a plug in his jug, things looked up for sure
But the whole damn thing of it was there is no blasted cureI've seen a few men go
(The road of the righteous)
And a few have traveled
(This old lonely path)
I've seen a few men go
(The road of the righteous)
By God I'm sure we'll see some more
(Go their blessed way)Hey it's gonna, take some foot work to get you on your way
They'll be pit-faults and some cat-calls
But hard you must persist
'Cause life is so precious ad we have only got one shot
So if you move along and you stay
God strong all the treasures will be gotI've seen a few men go
(The road of the righteous)
And a few have traveled
(This old lonely path)
I've seen a few men go
(The road of the righteous)
By God I'm sure we'll see some more
(Go their blessed way)Go, go, go, go
Go, go, go, go
Go, go, go, go
Go, go, go, goI've seen a few men go
(The road of the righteous)
And a few have traveled
(This old lonely path)
I've seen a few men go
(The road of the righteous)
By God I'm sure we'll see some more
(Go their blessed way)Now I saw a man stand up one day and fight to save his life
Just a common worker, supporting his kids and wife
He put a plug in his jug, things looked up for sure

But the whole damn thing of it was there is no blasted cureI've seen a few men go
(The road of the righteous)
And a few have traveled
(This old lonely path)

(The road of the righteous)
By God I'm sure we'll see some more
(Go their blessed way)Go, go, go, go
Go, go, go, go
Go, go, go, go
(Go their blessed way)
