Nothing is forever is it?
Nothing is forever is it?
Nothing is forever is it?
So 'til I die I'll be forever livin' Started with my pockets slim
(Started with my pockets slim)
Now I got a lot of M's
They see me and they know it's him
Oh they oh they know it's him I'm so high I don't even get high no more
I'm so fly I don't even look down no more
I'm so out there, I don't go out no more
Niggas still hate and I don't even know why no more I don't know why, I don't know why
These nigga lame and I don't know why
I don't know why, I don't know why
We ain't the same and I don't know why 'Cause nothing is forever is it
Nothing is forever is it
No nothing is forever is it
So 'til I die I'll be forever livin' Motherfuck your opinion, show you where you can stick it
I swear they worse than these bitches, all these niggas got feelings
They say I got too many women, I'm just keepin' it pimpin'
The way she mastered that P, I guess she keep it no limit
Now watch me get ignant, coupe with no ceiling, smoking on ignorant
Me, I'm so different, I just stand out, these niggas be blending in
They say I'm too pop, they say I'm too hood, now that's a predicament
But as you can see the path that I'm on, success is just imminent
But at least I know I'm gonna learn
And I know I know I got my work
You see these snakes out there and they sho is lurkin'
'Cause this life ain't fair and it sure ain't perfect I don't know why, I don't know why
These nigga lame and I don't know why
I don't know why, I don't know why
We ain't the same and I don't know why 'Cause nothing is forever is it
The show is fuckin' television

No nothing is forever is it
So 'till I die I'll be forever livin' Yeah, everybody talk like they so cold
But when the shit jump off they ain't care no more
I'm a white prince like east side bro
And all my black friends you know them
They be like fuck 'em lyin' ass shoes
Maybe ask for double
So why they hatin' I don't have a clue
Nigga's wanna brag about money?
Guess what nigga, we got money too
Tre boy, Playboy
You can call me Christmas dad
And if yo freak wanna try to jump down
Imma gonna leap up in that lilly pad I don't know why, I don't know why
These niggas lame and I don't know why
I don't know why, I don't know why
We ain't the same and I don't know why 'Cause nothing is forever is it
The show is fuckin' television
No nothing is forever is it
So 'till I die I'll be forever livin'
