

Runaways

Sam Feldt

Hey, little darling
I'm gonna take you outta the darkness
I wanna walk with you in the light and hold your head high
Hey, little darling
We better go before it is too late
Sneak out the window and down the fire escape, hold my hand tight
'Cause we're just run, run, runaways, run,
run, renegades
Run, run to get away
And we just run, run because we ain't givin' it up now to get away
Always a haunted place
Oh, and you and I are the ghosts
I wanna take you home
But we're just run, run, runaways, run, run, renegades
Nowhere, I couldn't stay
Hey, little darling
No, we're not welcome here in this party
They're lookin' through us like uninvited, hold your head high
'Cause we're just run, run, runaways, run, run,
renegades
Run, run to get away
And we just run, run because we ain't givin' it up now to get away
Always a haunted place
Oh, and you and I are the ghosts
I wanna take you home
But we're just run, run, runaways, run, run, renegades
Nowhere, I couldn't stay
Oh, and you and I are the ghosts
I wanna take you home
But we're just run, run, runaways, run, run, renegades
Nowhere, I couldn't stay
