

Annalee

Gavin DeGraw

Verse 1:

You fire it up
Dancing around
Knocking back
Knocking down you go all night
All night
Blow em away
Pourin it on
Laugh at the jokes
Sing a few songs you know all right

All rightPre-Chorus:

Gettin all, gettin all, gettin all their attention
Now you're takin em, takin em, takin em for a ride

All rightChorus:

Oh Annalee, Annalee
Don't you know I'm on to you?
Your eyes are bright as chandeliers
But I see the truth
Your mystery, Annalee
Got them falling from the roof
Hypnotized and paralyzed but
That's nothing new
Annalee, you know that
I'm onto youVerse 2:

Fresh out of jail
Left Santa Fe
Making your rounds out in LA, look at you now, oh wow
They're buying you rings
Giving you cars

It's never enough, you turn their hearts all inside out, side outPre-Chorus:

Getting all, gettin all, gettin all their attention
Takin em, takin em, takin em for a ride

Every timeChorus:

Oh Annalee, Annalee
Don't you know I'm on to you?
Your eyes are bright as chandeliers
But I see the truth
Your mystery, Annalee
Got them falling from the roof

Hypnotized and paralyzed but
That's nothing new
Annalee, you know that
I'm onto you
Bridge:
It started with a white lie
You thought it was a good time
Now they got the fever
Oh beep bop ba lulah
Now everybody wants you
But I'm looking right through
And I want to tell you
Get yourself together girl cause nothing lasts forever
Chorus:
Oh Annalee, Annalee
Don't you know I'm on to you?
Your eyes are bright as chandeliers
But I see the truth
Your mystery, Annalee
Got them falling from the roof
Hypnotized and paralyzed but
That's nothing new
Closing:
Annalee, Annalee
La-da, la-da-da-da-da
La-da-da-da-da-da, da-na-na-na-na
Annalee, you know that
I'm onto you
