

Too High (poly High)

Snoop Dogg

Just another day in the motherfuckin' neighborhood

A pimp's wakin' up and he's feelin' good

Verse as he to the flow and even if they mess to tellin'

Made shit today, hmm, smelling good in this rep' thousand for sure I'm waking up in the morning, man, oh man,
what's wrong?

My nigga Coolio's gone and I'm zoned, but I'm balled

Had to school 'cause I can't be late

'Cause they unlock the gate and these damn
