

Today I'm OK

Mike Schmid

I keep letting go and then grab hold again
I want off this rollercoaster ride
Sometimes I'm invincible for weeks on end
And sometimes I can't barely go outside

Today I'm OK
I don't know about tomorrow
But today I'm OK
Tonight I'm alright
Won't be drowning in my sorrows
Cause tonight I'm alright

Sometimes I go running through the words you said
Sorting out what's false and what was real
And sometimes I can recognize our love is dead
And grateful is the only way to feel

Today I'm OK
I don't know about tomorrow
But today I'm OK
Tonight I'm alright
Won't be drowning in my sorrows
Cause tonight I'm alright

And I could never ask for more
(Till the next time I do)
But in this moment I am sure
That through ups and downs
And through hopes and fears
Love is all around me here

Today I'm OK
I don't know about tomorrow
But today I'm OK
Tonight I'm alright
Won't be drowning in my sorrows
Cause tonight I'm alright
