Nostalgia (feat. Dave Gahan)

Mirror

As a thirst becomes a sickness
And desire is all you feel
A photograph that made us laughAnd now your skin has such a thickness
That you can't tell what is real
AnymoreIt's a feeling like nostalgia
Keeps me turning back to you
And a feeling like nostalgia
For the dreams that we once knew
If you're feeling like what we were feeling is through
Why do I feel nostalgia?
Why do I feel nostalgia like you?
We were running to the future
When we fell into the past
A memory
When our lives seemed full of promise
Oh but good things never last
It seems to meIt's a feeling like nostalgia
Keeps me turning back to you
And a feeling like nostalgia
For the dreams that we once knew
If you're feeling like what we were feeling is through
Why do I feel nostalgia?
Why do I feel nostalgia?
Why do I feel nostalgia like you?
Why do I feel nostalgia?
Why do I feel nostalgia?
If you're feeling like what we were feeling is through
Why do I feel nostalgia?
Why do I feel nostalgia?
Why do I feel nostalgia like you?
