Learnin' To Love

Ween

Learnin' to love, lovin' to learn
A handicap at the home turn
The key horse on the highway
Lay it off in the length
The listed race was a long shot
Dupe, dupe, duble it, duble it, duble it
Duble it, duble it, duble it, duble it
Dupe, dupe, duble it, duble it, duble it
Duble it, duble it, duble it, duble it, doo
Part wheel on the pasteboard
A penalty for the point spread
Ran post time on the scratch sheet
A roughy was a ringer in the return
Learnin' to love, lovin' to learn
Single stakes on the short price
A spot play in the stretch turn
A sure thing for the tipster
With true odds on the weigh-in
Dupe, dupe, duble it, duble it, duble it
Duble it, duble it, duble it, duble it
Dupe, dupe, duble it, duble it, duble it
Duble it, duble it, duble it, duble it
Dupe, dupe, duble it, duble it, duble it
Duble it, duble it, duble it, duble it, doo
Learnin' to love, lovin' to learn
A combo bet for the dead heat
A bug boy ran a bull ring
There's a dead track at the derby
With a dual forecast on the dime
Dupe, dupe, duble it, duble it, duble it
Duble it, duble it, duble it, duble it
Dupe, dupe, duble it, duble it, duble it
Duble it, duble it, duble it, duble it
Dupe, dupe, duble it, duble it, duble it
Duble it, duble it, duble it, duble it, doo
Bearin' in on the bell lap
Bettin' board shows a sure win
A bookie boxed on the bobble
I made a blind bet in the black type

Learnin' to love, lovin' to learn
