Silence Is a Weakness

Fire Engine Red

Silence it's a weakness, brought me loneliness, (hopelesness)
made me sin, yeah sin
Silence it's a weakness, put my faith to the test
it made me sin, yeah sin
Silence it's a weakness, Satan defeats us if you give in
So when you need prayer (call on me)
things are going wrong (call on me)
Something's got you down (call on me)
We all do things that are wrong (call on me) yeah!
Silence it's a weakness, shows me my brokenness, it's made me sin
Satan calling, he wants you to be afraid
He'll play on your biggest fears, all your faith in God will disappear
makin' you sin, yeah sin (sin oh yeah...)
Christ said, carry each others burdens, from the love we share
The world will know we are his
Break the silence, set yourself free from this, you can tell me I'm your
friend, Free you from sin, yeah
So when you need prayer (call on me)
things are going wrong (call on me)
Something's got you down (call on me)
Together we can overcome (call on me) yeah!
(sin oh yeah...)
