4 Letter Word

Diggy Simmons

Hold your tongue, hold it tight
Or we'll be destined to fall like the sun did tonight
Leave it out, cause it might
Take the both of us down before we get it right
Oh I know just what you're thinking
But if we ever let it go
I see us slipping away
Starting to fade
Crumbling down 'til we both hit the ground
You know if we never say, we'll never crash and burn
Cause love is a 4 letter word
Looking back, now I see
Saying just how we feel causes such misery
All I want is to keep
This moment alive between you and me
And i know just what you're thinking
But if we ever let it go

I see us slipping away
Starting to fade
Crumbling down 'til we both hit the ground
You know if we never say, we'll never crash and burn
Cause love is a 4 letter word
I'm afraid of losing all that we have now
A 4 letter word
It could all get ruined if its ever said out loud
Slipping away
Starting to fade
Crumbling down 'til we both hit the ground
You know if we never say, we'll never crash and burn
Cause love is a 4 letter word
I see us slipping away
Starting to fade
Crumbling down 'til we both hit the ground
You know if we never say, we'll never crash and burn
Cause love is a 4 letter word
Cause love is a 4 letter word
