

# Dear Money

**Josh Wilson**

Verse:

Dear money, i wrote a song for you  
cause you lead me to believe you buy me everything i need then you, fill me full of emptiness. So money, it's  
time to call you out  
about the way you say you pay and then you turn and walk away turns out, you can't keep your promises

Chorus:  
I'm changing the locks of my pockets now, cause if i don't let you in then you can't run out.  
well i love to hate to love you, but i cant get enough of you, i cant get enough, so I've had enough of you

Verse:  
Hey money I've had enough you  
everyday its all the same the way you love to complicate, i knew that we never should've met  
Yea money I'm asking you to leave nothing personal but you were never worth it all, oh please don't make this harder than it  
is.

Chorus:  
I'm changing the locks of my pockets now, cause if i don't let you in then you can't run out.  
Well i love to hate to love you, but i cant get enough of you, i can't get enough, so I've had enough of you.  
End:  
Hey money just leave me alone!
