

# I Love Rock & Roll

## Britney Spears

Hey, is this thing on? (uh uh) I saw him dancin there by the record machine

I knew he must have been about 17

The beat was going strong

Playin my favorite song

I could tell it wouldn't be long till he was with

Me (yeah me)

I could tell it wouldn't be long till he was with

Me (yeah with me)

(sing it)

I love rock and roll, so put another dime in the

Juke box baby

I love rock and roll so come and take the time and

Dance with me

Ow! He smiled so I got up and asked for his name

But that don't matter he said, 'cause it's all the same.

He said, can I take you home?

Where we can be alone

And next we're moving on, and he was with me (yeah

Me)

We were moving on, and singing that same ol' song

(yeah with me)

(singing)

I love rock and roll, so put another dime in the

Juke box baby

I love rock and roll, so come and take the time and

Dance with me

Ow! I love rock and roll, yea

Cause it soothes my soul, yea

I love rock and roll, yea ay yea He said, can I take you home?

Where we can be alone

And next we're moving on, and he was with me (yeah

Me)

We were moving on, and singing that same ol' song

(yeah with me)

(singing)

I love rock and roll, so put another dime in the

Juke box baby

I love rock and roll, so come and take the time and

Dance with me

Ow!(singing)  
I love rock and roll, so put another dime in the  
Juke box baby  
I love rock and roll, so come and take the time and  
Dance with me  
Ow!
