Fish

The Damned

well i've seen you hanging round and round
on the streets with something on your mind
don't you think that i'm being fresh?
only want to lay with you
i promise you won't smell no fish
i said fish
well i don't want you to think i'm being obscene
when i say say say i wanna hold your hand
feelin' kinda cold,need somethin hot to hold
only wanna lay with you
i promise you won't smell no fish
i said fish
(solo)
fish,fish
well i've seen you hangin round and round
on the streets with somethin thats on your mind
don't you think that i'm being fresh
only wanna lay with you
i promise you won't smell no fish
i said fish
i said fish
i said fish
