

Chains of Love

House of Lords

Open up your heart and let me in
Baby take me under and bring me back again
There ain't nothin' if I can't have you
It ain't nothin' without you Heaven in my dreams turn out the lights
Is it any wonder just what I want tonight
Maybe I'm mistaken, maybe it's a lie
But I think I'll love you 'til the day I die
Take me tonight
Over and over and over
Take me tonight
Running with this crowd, yeah lonely night
I been a million places, I got it right this time
Take me baby, go down slow
Lock me up don't ever let me go Chorus:
I can't escape these chains of love (chains of love)
I can't escape them
I'll never break these chains of love (chains of love)
I'll never break in
Oooo I'll never break these chains baby
Chains of love
Open up your heart, turn down the lights
Baby take me under, you're what I need tonight
Maybe I'm mistaken, maybe it's a lie
But I think I'll love you 'til the day I die Repeat Chorus Chains of love!
