Lonely Weekend

Bad Boys Blue

I heard you talking about the state that were living in.
And I feel again. I never could win.
There I saw you walking. Another lover right by your side.
Why can't you play fair? But I do not care.Just another lonely weekend.
Just another weekend without you.
I will shed no tears.
Girl, I will survive.
It's just another weekend alone.
Another lonely weekend.
I'm tired of waiting. Infatuation is over now.
I made up my mind. So don't waste my time.
Don't call me a loser. Don't need your love till the end of time.
For I had my share. So I do not care.
