

All the Tired Horses

Bob Dylan

All the tired horses in the sun
How am I supposed to get any riding done?
All the tired horses in the sun
How am I supposed to get any riding done?All the tired horses in the sun
How am I supposed to get any riding done?
All the tired horses in the sun
How am I supposed to get any riding done?All the tired horses in the sun
How am I supposed to get any riding done?
All the tired horses in the sun
How am I supposed to get any riding done?
