Hallucinating Beauty (mit Kate Havnevik)

Schiller

I wanna breathe you,
Want to believe you,
Wrap you in a blanket of stars.I wouldn't hurt you,
Would never leave you,
But it was me that came apart.Oh oh,
You don't know what you've done...
To me,
If only I could make you see.The moon in your hand,
Madness in my heart,
Dig out the better of yourself.But I have no fear,
'cause I can feel you,
And I hear your silent screamOh oh,
You don't know what you've done...
To me,
If only I could make you see.(Instrumental)What have you become,
Where do you come from,
Hallucinating beauty,
Running out of time,
Under a black sky,
We all need a place to hide.Oh oh,
You don't know what you've done...
To me,
If only I could make you see.If only I could make you see.(Instrumental)Oh oh,
You don't know what you've done...
To me...Oh oh,
You don't know what you've done...
To me...Hallucinating beauty,
Hallucinating beauty,
Hallucinating beauty.
