If Time Is All I Have

James Blunt

When you wake up
Turn your radio on
And you'll hear this simple songThat I made up
That I made up for youWhen you're driving
Turn the radio up
Cause I can't sing loud enough
Hard these days
To get my message throughIf time is all I have
I'll waste it all on youEach day I'll turn it back
It's what the broken-hearted do
I'm tired of talking to an empty space
Of silences keeping me awakeWhen you marry
And you look around
I'll be somewhere in that crowd
Torn up, that it isn't meWhen you're older
The memories fade
But I know I'll still feel the same
For as long as I liveBut if time is all I have
I'll waste it all on youEach day I'll turn it back
It's what the broken-hearted do
I'm tired of talking to an empty space
Of silences keeping me awakeWon't you say my name, one time
Please just say my nameBut if time is all I have
I'll waste it all on you
Each day I'll turn it back
It's what the broken-hearted do
I'm tired of talking to an empty space
Of silences keeping me awakeIf time is all I have
I'll waste it all on youEach day I'll turn it back
It's what the broken-hearted do
I'm tired of talking to an empty space
Of silences keeping me awakeWon't you say my name
When the song is over
