Visions In Blue

Ultravox

Face in the window in the night
Caught for a second by the light
Ashes of memories still aglow, only for you
Portraits and pictures you once sawVisions in blueRead while the letters still remain
Sip from the wine of youth again
Oaths made in silence still return, only for you
Cast like a shroud your clutching armVisions in blueCatch aimless smiles from passers-by
Blistered and broken in reply
Breath seems to mist the hazy view, only for you
Tears coat your lifeless eyes with dewVisions in blue, visions in blueAshes of memories still aglow
Portraits and pictures you once saw
Ashes of memories still aglow
Portraits and pictures you once sawFace in the window in the night
Caught for a second by the light
Ashes of memories still aglow, only for you
Portraits and pictures you once sawVisions in blue
