

Jordan Belfort (feat. Dyl)

Wes Walker

Jordan Belfort

Jordan Belfort I been getting dirty money Jordan Belfort

Stacking penny stocks while I'm flipping these birds

Sipping on Ciroc, trip 'em up with the words

I just popped a molly and I think this be my third

Jordan Belfort

Jordan Belfort

I been getting dirty money Jordan Belfort

Stacking penny stocks while I'm flipping these birds I just flipped a birdy, money so dirty

Got my bitch a mink, furry like Furby

I came up made a milly, spent it on a Rollie

Stackin' gouda, feta, chedda cheese 'n' ravioli Or maybe fettuccine, dirty martini

Imma fuck yo bitch, call me Houdini

I'm drivin' Lamborghini, yo ho in a bikini

Eight bottles to the neck, three wishes from a genie Benjamin ain't dirty, but these Franklins be filthy

Always going to court but I'm never pleadin' guilty

Ballin' so hard I only be slam dunkin'

Beat steady rockin' and the trunk straight thumpin' I be ridin' foreign pourin' Merlot while I swerve

Pedal to the medal when I'm whippin' round the curve

When I'm rollin' up this marijuana you can smell the herb

And I'm getting all this lettuce, I ain't talkin' iceberg I been getting dirty money Jordan Belfort

Stacking penny stocks while I'm flipping these birds

Sipping on Ciroc, trip 'em up with the words

I just popped a molly and I think this be my third

Jordan Belfort

Jordan Belfort

I been getting dirty money Jordan Belfort

Stacking penny stocks while I'm flipping these birds Jordan Belfort, Burberry shirt

LV loafers on my sofa in Bel-Air

Turnin' up daily 'cause we can't turn down at work

I been lightin' loud lately

Like my volume switch don't work

And my cologne is Versace, Medusa got me stoned

I'm always high on something

But I usually like to smoke

We been long time friends, me and Ben Frank

Every fucking day he needs a ride home from the bank

Muhfucka you don't know me you ain't in my tax section

My wallet ain't fat it's in the gym straight flexing

I don't call your bitch back and shes checkin' her reception
Bitch with double D's she's all up on my erection
And I'm in the ovaries but I ain't about affection
So easily the sober me just smokes and then forgets them
Sometimes this life seems a little stressful
Especially when they tell me that I am something special
I been getting dirty money Jordan Belfort
Stacking penny stocks while I'm flipping these birds
Sipping on Ciroc, trip 'em up with the words
I just popped a molly and I think this be my third
Jordan Belfort
Jordan Belfort
I been getting dirty money Jordan Belfort
Stacking penny stocks while I'm flipping these birds
