No Man Is An Island

Derrick Harriott

No man is an island
No man stands alone
Each man's joy is joy to me
Each man's grief is my ownWe need one another
So I will defend
Each man as my brother
Each man as my friendI saw the people gather
I heard the music start
The song that they were singing
Is ringing in my heartNo man is an island
Way out in the blue
We all look to the one above
For our strength to renewWhen I help my brother
Then I know that I
Plant the seed of friendship
That will never die
