Alice In My Fantasies

Funkadelic

Hey baby, be my dog, oohAlice in my fantasies, uh, promised to do
All kind of freaky things to me, said
She would, uh, suck my soul, if I'd lick her emotion
The freak said, I would even owe her my devotionShe said, she'd, uh, cover me
With, uh, strawberries and pretend
That I'm a shortcake, I said
"Uh, not by the hair of my chinny chin, chin"Ooh, yeah, hehAlice in my fantasies, uh, promised to do
All kind of freaky things to me, said
She would, uh, suck my soul, if I'd lick her emotion
The freak said, I would even owe her my devotionI said, "Uh, lady, be my dog
And I'll be your tree, and you can pee on me"
Mama said, never eat yellow snow
So away we goHuh, huh, huh, huh, huh, huh, huh, hehBe my dog, hey
Baby, they call it mental masturbation
